

Hospital Radio Maidstone

Our Outside Events Unit is available for hire!
Our new purpose built outside events unit is a mobile fully equipped public address studio designed to meet your requirements for all kinds of events including:
fetes•exhibitions•open days•festivals
fun runs•rallies•field shows•donkey derbies
boot fairs•fun days•equestrian events
firework displays•rural fayres•vehicle shows
ploughing matches•& many, many more!

We are a registered charity (no. 253068) and our Outside Events Unit is crewed by volunteers, so providing a professional standard public address service for your event could cost much less than you'd expect.

Resources available: Experienced compères & hosts, built in broadcast studio, codec, long & short range radio mics, line mics, mixing desks, CD & MP3 players, digital playout system, 1,000 watt amplifier & speakers, P.A, horns, generator, disco lights, huge music library.

We carry full public liability insurance, all our electrical equipment is PAT tested and we have PRS & PPL licensing.
